- Facebook Event: <https://www.facebook.com/events/718134225671554>

Our first Drive Against Racism (Morrisville) had great turnout, which is great news! We want to use these short-term acts of solidarity to mobilize our community to build capacity to work to dismantle inequitable, unjust, and racist systems in the long-term. The lives of George Floyd, Breonna Taylor, Tony McDade, and too many others drive us to work for change. This Sunday's Drive Against Racism in Stowe is the second in a series of *REAL Sundays of Action*. Our action can't stop here. **Join us this Sunday in Stowe and learn how to get more involved in anti-racist work in our community.**

### Be Safe! Please:

- Wear masks, stay in your car, and avoid congregating;
- Join us in yards and sidewalks along the route with signs (and maintain social distancing);
- Look for people at intersections directing traffic;
- Make signs to decorate your car;
- Arrive 15 minutes early (1:45 pm).

REAL Vision: The Racial Equity Alliance of Lamoille (REAL) envisions a community that embodies inclusion, equity and justice as values central to our identity. We are committed to building a safe community, where all people experience dignity and respect, and all are welcome with kindness and belonging.
